## Brighten Up

"Brighten Up" time is here—the time to clean up about the house, renovate, and make the old things look neat and clean again. We can help you in the work with our line of **SHERWIN-WILLIAMS PAINTS AND VARNISHES.**

It is really surprising what a little paint or varnish will do toward brightening up dingy surroundings. Take *The S-W. Family Paint*, for instance. This is a linseed oil paint specially prepared for home decorating and painting. With it any one can renew the appearance of a hundred little things that now look worn and old. It dries with a good gloss and will stand scrubbing with soap and water. Comes in 26 attractive shades.

*The S-W. Floorlac* is another splendid household brightener. It is a stain and varnish combined and can be used on old or new woods equally well. Imitates the natural woods and gives a most pleasing effect.

These offer a few hints for you. Come in and have a "Brighten Up" talk with us and learn more about how we can help you in your Fall cleaning. Our line has a paint or varnish for every purpose.

## Big Onion Crop.

Laredo, Tex., May 27.—The Webb county onion crop for this season is nearly all shipped. Less than ten cars now go out daily. A conservative estimate puts the crop at over 1,000 500-crate cars. The average to the growers is placed at 80c a crate, making the total net receipts for the entire crop not less than \$650,000.

"Mad dog bites man and is shot," is an announcement which should awaken the authorities in every city to their grave duties in respect to these noisy, worthless and dangerous nuisances. There is rarely found a town or city that is not teeming with worthless dogs. They are disturbers of the peace and breeders of disease. They should, at least, be kept thinned down to a stand, according to the law of the land.—Galveston News.

## Boundary Line School.

May 28—Here I come again, after being absent one week.

Rain, rain is all the go. Everybody would feel better, if it would only hold up a while and let the people get their cotton chopped and kill some of the "green hay."

Health is O. K. in this line.

Ask A. K. Cauthern how he enjoyed his trip Sunday eve.

Otto Ziekuho was seen again in this community Sunday.

What is the attraction, kid?

Mrs. Hy. Stindt spent Thursday last in Shiner with Mrs. G. Blaschke.

Mr. and Mrs. Joe Kasper of Charlottenburg Sundayed with Mr. and Mrs. Hy. Stindt.

John Warstenhardt of near Wied was in this section Monday on professional business.

Those that took in the grand feast from here at Sweet Home last Thursday were Misses Minnie and Pauline Schaefer, Annie and Guidy Elizabeth Cauthern and Messrs. Eddie Schaefer, A. K. and Cassie Cauthern, Charles McElroy. They report having an "awful good time."

Say, Maduro of Wied, I had a "time of my life" at the ball. When are you going to have another one? I'm getting anxious to attend the next. Let me see you next time out there, so I will know who I'm chawing with.

A fine little girl arrived at the home of Mr. and Mrs. Emil Schroeder Saturday.

Sorry to state that Mr. William Huesmann, while trying to pen his horses Saturday, had the misfortune to accidentally slip and fall and break his ankle. Last report of him, he was doing nicely. Wish him a speedy recovery.
